Data Description:

The Real Madrid Football Club Fan Page will store, manipulate, and display various types of data to enhance the user experience. The primary data stored will include player profiles (Name, Position, Stats, Biography, Photos), match schedules (Date, Opponent, Venue, Result), and news articles (Title, Date, Content, Author). Additionally, user-generated content such as forum posts (Username, Post Title, Content, Date) and comments will be stored to foster community interaction. Administrative functions will include the ability to add, edit, or delete player profiles, match schedules, and news articles. To maintain security, user accounts with login credentials will be required, ensuring only authorized users can manage content.
